Login to post The Owners Manual for the Bravetti FP110H Platinum Pro Swivel Head Food Processor may be downloaded here I had tryed having them mail me a printed copy, but kept getting a spanish printed one. Hope this helps anyone needing manuals from them! Tuesday mornings, it had obviously been opened. There were no I am hoping to find directions to Please help What I do to use it is I use a knife as the blade on the lid and stick it in the slot and move the switch toward the back. This is eaiser when the blender is off of the unit. You can do the same thing to use the blender but switch is a little harder to push.

I can copy the pages of the manual and send them in a email to you if you would like. I had noticed though on the earlier occasions that it seemed to be getting heated and the noise was getting lower.

Then one day because too much food was stuck on to it i had run a bit of water on it. What could be the problem. Please help! Answer questions, earn points and help others. Something went wrong. I have an old model model EP90 food processor with blender. Can I order just a new blender for my machine and give me price. Thanks Submitted 10 years ago. Ask Your Own Appliance Question Customer reply replied 10 years ago Bravetti platinum pro. Ive used it once and it stopped working. The stand mixer is on but the gears inside wont engage. Error is "insert pusher". This I have the remnants of an old Braun Food Processor. This consists of the blender and the power base which are at least 40 years old. I plug it in, set it up and the switch will turn, but nothing happens. No buttons work. My FP 16DC processor is stuck in ON position. No buttons work. Even when I press OFF, the lights go off but the machine keeps running. I can only turn it off by unplugging it. After using the slicing I have a kitchen aid food processor. After using the slicing blade to slice up some proscuitto, the extender will not come off the post. The plastic container was in two parts, joined, apparently by glue. I need an owners manual for model KFP580WH food processor.
